### **BANKERS INSURANCE GROUP ACCEPTED INTO NATIONAL FLOOD PROGRAM**

Bankers Insurance Group has been chosen as a carrier for the National Flood Insurance Program. "I'm pleased to announce that Bankers will soon receive official notification on its acceptance into the National Flood Insurance Program (NFIP) as a Write Your Own (WYO) carrier," said Bankers President David Meehan.

"The division director congratulated and welcomed us back and is looking forward to what we will bring to the program. This approval was the result of our Management Team's hard work and focus on this important project, and we're very pleased." Bankers was one of the original carriers accepted into the flood program in the 1980s, working its way up to one of the top three flood carriers in the country.

Bankers will be ready to initiate marketing Flood in the beginning of 2008.

Bankers Financial Corporation, a holding company for Bankers Insurance Group and Bankers Business Group, was founded in 1976. The organization has grown from a small insurance company to a diverse corporation known for its innovative insurance products and superior customer service.
