### **KRISSY ROGERS, BANKERS VP, TO SERVE AS DIRECTOR FOR PROFESSIONAL BAIL AGENTS**

Vice President of Bankers Surety Services Krissy Rogers was chosen to serve as Director for the national Professional Bail Agents. "I am very pleased and proud to announce that Ms. Rogers was unanimously selected by the newly, re-elected President of the PBUS (Professional Bail Agents of the United States), Ms. Linda Braswell, to serve as an At-Large Director on their Board," according to Bankers Surety President Brian Kesnick.

"I received many unsolicited comments and overtures from colleagues and competitors alike at last week's annual convention complimenting Krissy's tireless work," Kesnick continued, "as well as thanking me for allowing her to devote her time to the PBUS organization. In a relatively short time Krissy has earned this lofty national recognition not only for her personally, but obviously for Bankers as well."

In addition to her duties as Director, Rogers resumes the role she has held for two years as chairperson of the membership committee. "I have been asked to continue in this role for another two years," Rogers explains. "Our committee's goal is to identify ways to promote PBUS, increase membership, and retain current members. We attend state and local bail association meetings when we can, and we promote PBUS membership."

As an At-Large Director, Rogers attends PBUS board meetings and participates in various conference calls throughout the year. "We discuss the association's financial issues and we work to develop education and certification programs for our members," she explains. The Board of Directors supports the initiatives of the membership committee, as well as other committees such as education, legislation, etc.

PBUS has approximately 810 members. "Considering there are about 14,000 bail agents nationwide, we have a lot of work to do to get more members," says Rogers.

Bankers Financial Corporation, a holding company for Bankers Insurance Group and Bankers Business Group, was founded in 1976. The organization has grown from a small insurance company to a diverse corporation known for its innovative insurance products and superior customer service.
